

CHURCH ANNIVERSARY: Next year in 2022 we will celebrate our 175th anniversary. Picking up where **CHET BEHRMAN** left off, we would like to provide a written and pictorial narrative of the last 25 years of our history here at Trinity Darmstadt. In addition to our church archives, if you have memories, milestones, or stories which you think would be appropriate to include in our church history, please share them with **PASTOR TEMME**.

THE LUTHERAN WOMEN'S MISSIONARY LEAGUE The Lutheran Women's Missionary League (LWML) is an official auxiliary of The Lutheran Church—Missouri Synod (LCMS). It has as its "mission heart" thousands of volunteers who are daily dedicating their lives to making a difference in this world. It is also "Lutheran Women in Mission," a phrase that reflects the object of the LWML, adopted by the Board of Directors in January 1998. It is women who are finding avenues to use their God-given talents as they meet the challenge to share the Gospel message. It places a major emphasis on the support of mission and ministry throughout the world by means of Mite Box offerings. These Mite Box offerings have funded over 100 million dollars in mission grants since the organization's inception in 1942. All women in the congregation are members.

Mite Explanation: Based on the Biblical account of the widow's mite (Luke 21:1–4), the Mite Box is intended for regular contributions of "mites" — offerings above and beyond the support given to congregations and the LCMS. Mite Box contributions amount to millions of dollars that fund district and national mission grants and implement the LWML program. Mite Boxes are available on the LWML display table in the back of the church. Mite money is used to further God's kingdom through the mission projects selected by delegates at various conventions. Place your Mite box wherever you can feed it: bedroom, bathroom office, and even in the car. Return your filled Mite box offering to the big box in the back of the church.
